Scan QR code to access video guides and link to EMORA.

Access as a Practice Supervisor

Practice Supervisor: click on the token link sent by the student in the auto email. Within this email, the students will have indicated what they would like you to sign off.

Signing off Practice Episode Record Entries

To access the Practice Episode Records, open the main menu by clicking on the three horizontal lines in the top left corner of the screen and click on **Practice Episode Records**.

Entries can be approved individually or if there are multiple entries click 'Approve all my pending entries'. This will approve all the entries within a cluster.

Once approved, entries will turn green and show a green tick against them.

Signing off Proficiencies

The **student's** proficiencies can be accessed via the main menu. Click on the three horizontal lines in the top left-hand corner of the screen.

To sign off a proficiency, you should first review the evidence that the **student** has submitted in the 'comments' section and then verify the proficiency. If the **student** has not yet inserted their evidence you can still verify the proficiency, but please remind the **student** to do so. Add the date the proficiency was completed and click '**Save**':

Supervisor Feedback

Practice Supervisors need to click on the relevant section (e.g. antenatal) which will open more information. This will provide the option to view or add feedback.

Practice Supervisors can click to 'Add Supervisor Feedback'. Any relevant files can be uploaded by dragging and dropping them to the file upload box, or by clicking the 'upload a file' button to locate the file to add.

Help and Support

Any difficulties in accessing or using the EMORA, please contact MORA@uwl.ac.uk
