### Access as a Practice Assessor

The first time you log in for a particular student, you will need to use the link in the automated email you will have been sent by the student. After that you can access your student's EMORA directly using the web address above.

### Searching for a student

To access the **student** record select the 3 horizontal lines next to the University logo at the top left of the screen to open the menu and select **Students**.

### Initial Meeting

The initial meeting should be completed during the first two weeks of the first placement of the academic year or part of the programme. It is a record of the meeting between the **Practice Assessor** and Student.

The **Practice Assessor** can write their comments in the '**Practice Assessor Completion**' box. Once complete select the **Save and Submit** button to commit the data.

### Practice Assessor Review 1 and 2 and Summative review

The **Practice Assessor** Review 1, 2 and Summative can be found in the main menu. Click on the **Practice Assessor** Review you'd like to view / amend.

The **Practice Assessor** will receive an automatic email to let them know that the student has completed their part of the review, and they are ready for the practice assessor to add their review.

The **Practice Assessor** then needs to complete their part of the **Practice Assessor** Review by working their way through all the reflection headings. Click on each heading to complete the review within that heading. If the student achieves an Unsatisfactory descriptor, you will need to complete a Progression Plan.

### Supervisor Feedback

**Practice Assessors** can view Supervisor Feedback. Go to the Main Menu and click on 'Supervisor Feedback'
